Setting up DryCard Entrepreneurs

1) Identify suitable businesses or entrepreneurs for DryCard/Dry Chain

2) Review business plan for DryCard manufacturing and sales

3) If approved, establish agreement for production, reporting, and support

4) Send necessary resources including starter pack of materials (10,000 DryCards)

5) Begin in-country production and sales

We are looking to add more DryCard entrepreneurs!
DryCard Distribution Network

• Set up DryCard manufacturing, marketing and sales in 10 countries
• 22,000+ DryCards sold (30,000+ distributed)
• Entrepreneurs incorporate related postharvest technologies into their business
