**Lesson
Learned 1:
The Needs!
We have to
know the small
farmers needs
to cover it!**

Lesson Learned 2: What to do?

Food Security and Safety, Technologies, Knowledge management

Lesson Learned 3: The Sustainability, Interinstitutional Links in the Region with the Government, FAO, NGO's.

Lesson Learned 4: Institutionalization

The Center is now part of Zamorano and essential for others institutions in:

- Training and Education
- Extension
- Research

In the Central American countries
